SELECTED CHARITIES FOR 2020

NSTEP

Through BFCK, NSTEP helps kids live healthier, longer lives by providing fun and interactive nutrition and activity education to students, teachers, and families making a positive change in the health of our communities.

KidSport

With BFCK's support, KidSport strives to change lives by doing everything in its power to ensure under-resourced families in our community have the ability to say 'yes' to their children's sporting dreams.

Between Friends

With the help of BFCK, Between Friends provides quality social, recreation and development opportunities so that people with disabilities can connect, grow and belong by focusing on abilities, not disabilities.

Inn from the Cold

Proceeds from BFCK go towards Inn from the Cold's Early Childhood Development Program, providing children and youth with prevention and early intervention strategies to ensure the best start in life.

Calgary Women's Emergency Shelter

CWES serves about 15,000 clients each year and funds raised by BFCK go towards children's programs at the shelter which support children's resiliency and coping skills as well as providing an increased sense of safety and support.

YMCA Let's Raise Campaign

YMCA Calgary's Let's Raise Campaign (formerly Strong Kids) helps ensure that all children have access to healthy YMCA experiences. For the first time in history, children are expected to live shorter, less healthy lives than their parents. When vulnerable kids have access to programs, they develop critical life-changing skills. Together, we will change the story about what we as a community will accept for our children.

Distress Centre Calgary

BFCK funds Distress Centre Calgary's ConnecTeen youth program of providing immediate support for teens in crisis through phone, chat, text and email to prevent suicide or serious injury to themselves or someone else.

Help us reach our goal...

...of giving to Calgary kids. In our 15th year, with your generous help and support, we work towards our next milestone in helping the kids in our community.
